CAREER OBJECTIVE

Seeking an Assistant Professor position to apply my knowledge in Computer Science, Data Science, and Artificial Intelligence while contributing to academic excellence and student development.

EDUCATION

Masters of Technology, in Data Science Oct 2024 -July 2026
Jawaharlal Nehru Technological University, Hyderabad
CGPA : 9.11/10

Bachelors of Technology, in Computer Science and Engineering Aug 2019-June 2023
Sri Chaitanya Technical campus, Ibrahimpatnam
CGPA : 7.89/10

EXPERIENCE

Industrial Exposure – Deep Thought

Aug 2023 – Feb 2024

- Worked on web development; improved UI using CSS and fixed minor frontend issues.
- Focused on documentation and improving organizational processes.
- Participated in LDI to enhance leadership and teamwork.
- Mentored students in Figma prototyping.

Assistant Professor (Diploma Students)

St. Mary's Group of Institutions, Hyderabad | Feb 2024 – Sept 2024

- Taught Python, Web Development, and DBMS for diploma students
- Guided students in developing mini projects and web applications
- Mentored 400+ students in technical learning and project development
- Conducted practical sessions with real-time problem-solving approaches
- Encouraged innovation, teamwork, and logical thinking among students

TEACHING INTERESTS

- Python Programming, DBMS, Artificial Intelligence, Machine Learning, Web Technologies, Operating Systems, Computer Networks

RESEARCH INTERESTS

- Artificial Intelligence, Machine Learning, Data Analytics, Healthcare Analytics, Educational Technology

PROJECTS:

AI-Based PCOS Detection

- Developed a Machine Learning model for predicting PCOS using health and lifestyle data
- Implemented Random Forest and XGBoost algorithms
- Performed preprocessing, feature engineering, and SMOTE balancing
- Achieved around 90% prediction accuracy
- Built deployment interface using Streamlit

AI Resume Coach

- Developed an AI-powered resume screening and job matching system using NLP and BERT-based pre-trained models.
- Implemented skill extraction, resume analysis, and semantic matching with job descriptions.
- Provided skill gap analysis and personalized course recommendations.
- Improved resume optimization for better ATS compatibility and career guidance.

TECHNICAL SKILLS

- **Programming:** Python, JavaScript, SQL
- **Web Technologies:** HTML, CSS, Bootstrap, Streamlit
- **Databases:** SQLite3, MySQL
- **AI & ML:** Machine Learning, NLP, Data Preprocessing
- **Tools:** GitHub, Jupyter Notebook, VS Code, Google Colab
- **Core Subjects:** DBMS, Operating Systems, Computer Networks

CERTIFICATES

- Build Your Own Static Website – NxtWave
- Build Your Own Responsive Website – NxtWave
- Introduction to Databases – NxtWave
- JavaScript Essentials – NxtWave
- Programming Foundations with Python – NxtWave
- Developer Foundations – NxtWave

ACADEMIC STRENGTHS

- Strong understanding of Computer Science fundamentals and problem-solving skills
- Good communication and presentation abilities
- Hands-on experience in project mentoring and student guidance
- Positive teaching attitude with strong analytical thinking skills

DECLARATION

I hereby declare that the above information is true to the best of my knowledge and belief.
