

MOUNIKA CHILUKA

Hyderabad | mounikanetha577@gmail.com | 9390904792 | <https://www.linkedin.com/in/mounika-chiluka>

CAREER OBJECTIVE

Motivated and enthusiastic Computer Science graduate. Looking for an opportunity to apply my skills in python and web development, while learning new technologies and contributing to real-world projects.

EDUCATION

Masters of Technology , in Data Science Oct 2024 -Aug 2026
Jawaharlal Nehru Technological University, Hyderabad
CGPA : 9.11

Bachelors of Technology, in Computer Science and Engineering Aug 2019-June 2023
Sri Chaitanya Technical campus, Ibrahimpatnam
CGPA : 7.89

EXPERIENCE

Industrial Exposure – Deep Thought

Aug 2023 – Feb 2024

- Worked on web development; improved UI using CSS and fixed minor frontend issues.
- Focused on documentation and improving organizational processes.
- Participated in LDI to enhance leadership and teamwork.
- Mentored students in Figma prototyping.

Assistant Professor (Diploma Students)

St. Mary's Group of Institutions, Hyderabad | Feb 2024 – Sept 2024

- Mentored 400+ students in building software applications.
- Taught Web Development, Python, and DBMS.
- Provided hands-on learning with real-time problems.
- Guided 500+ students in developing web applications.
- Encouraged creative thinking and problem-solving.

PROJECTS:

AI-Based PCOS Detection (Mini Project)

- Built ML model to predict PCOS using symptoms & lifestyle data.
- Used **Random Forest**, **XGBoost**; achieved ~90% accuracy.
- Applied data preprocessing, **SMOTE**, and deployed using Streamlit.

AI Resume Coach (Ongoing Project)

- Developing AI tool for resume-job matching and skill gap analysis.

- Suggests courses for missing skills using RoBERTa & NER.

CERTIFICATES

- Build Your Own Static Website – NxtWave (17 May 2022)
- Build Your Own Responsive Website – NxtWave (17 May 2022)
- Introduction to Databases – NxtWave (27 Oct 2022)
- JavaScript Essentials – NxtWave (30 Nov 2022)
- Programming Foundations with Python – NxtWave (25 Dec 2022)
- Developer Foundations – NxtWave (08 Feb 2023)

SKILLS

- **Programming:** Python, JavaScript
- **Web Technologies:** HTML, CSS, Bootstrap
- **Database:** SQLite3
- **Tools & Others:** Basic Linux Commands
